

Your useful numbers

We can't watch over our children every moment of every day. But we're working on ways to help protect them. It's all part of our big plan to make mobiles a worry-free zone for parents, teachers and anyone else who looks after children.

On the following page is our cut-out and keep summary of our child protection services as mentioned in this guide.

Customer service will be able to help you:

- If your mobile is stolen
- If you want to bar premium rate voice calls
- If you want to contact O2's nuisance call bureau

You can also email them at ncb@o2.com and register your mobile at www.imobalise.com, so the police can contact you if it has been found.
